

## **Rewrite The Declaration of Independence**

**Directions:** There are *four* sections of the Declaration of Independence, not including the signature. You will rewrite (sum it up) each section in your own words. Use your ebook to read the Declaration. Be prepared to read a portion of your version in class.

### **1. Preamble**

### **2. Declaration of Rights**

### **3. List of Grievances**

### **4. Statement of Independence**

**NEXT:** In addition to the more prominent colonial leaders who signed the Declaration of Independence, a number of lesser-known colonists inked their name to the famous document. Choose ***one*** of the little-known signers and write a brief biography of that person in the space below. **Examine** the person's life before and after the signing of the Declaration as well as what drove him to become so involved in the creation of this document.
